They are recycling old lies, ridiculous allegations and carefully edited videos from a year ago and spamming the internet with their anti-Minuteman garbage. All Americans are advised to stay away from these anti-American insurgents. They have been fully exposed on this website over the past 10 months for their pathetic scheme to try to bring down the Minuteman and Patriot groups with their elaborate fictional stories and false accusations. Russ Dove was recently convicted of yet another crime in Tucson and Christie Czajkowski (multi-convicted criminal) has been exposed for working directly for Claudia Smith, chief illegal alien activist in San Diego. Christie is working closely with Daniel Gilleon (Claudia's lawyer/agent) to attack Minutemen. Russ and Christie are desperate for attention and donations and have resumed spreading their lies hoping that someone will donate some money to their rebel cause.  
 Christie has spent much of her life in and out of mental institutions and has been terminated now from 11 different MM/Patriot Groups since May 06 for her radical and insubordinate behavior. Last week she was dismissed from the Ron Paul Group in San Diego for her erratic behavior. According to her family, she is in desperate need of professional help and medication (not the marijuana she uses regularly to self-medicate). Assisting Russ and Christie in their ongoing hoax and scam on naive Americans are: Jim Daugherty (aka John Doe), political operative, San Diego Dave Shelton (aka "Viking"), Santa Ana Brad Ward, Austin

Ignore these goons. They just want attention. They have long ago been discredited in the anti-illegal immigration movement.
